

Let's All Have Great Hope

(briefing opening talking point)

1. **Pray, hope and don't worry** (to quote Padre Pio).
God is still in charge!
2. Pray **for** All our priests, parishes & bishops in the Church
Pray **for** Archbishop Rozanski, Fr. Chris Martin specifically
Pray **in support of All Things New**, and that the Holy Spirit guides it
3. **Do NOT listen to a word I say!** (truly). Don't take my word for anything at all.

Rely SOLELY on the Authority of Holy Mother Church, period.

And rely on **all** Canon Law, not just some, and allow **all** to have Canon 212 rights (not just some advocating one position).
4. We want to help **every single parish** and will go wherever asked, and where two or more are gathered in His Name.
5. Overview of Canon Law rights and Procurator Mandate.
